

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

Project Title:

Mitigated Negative Declaration: SRDC Recycling Facility (Site)

Project Location:

The project site is in Redwood City, east of U.S. 101 at 475 Seaport Boulevard, Redwood City, CA 94063. The adjacent or nearest roads to the site are Seaport Boulevard, Seaport Court, and Henry A. Beeger Road. Assessor's Parcel Number: 054-300-530.

Project Description:

SRDC has operated a Construction Demolition (C&D) debris and green wood waste recycling facility at the project location since 2008 with a 673-ton/day maximum permitted throughput. SRDC is seeking a long-term Large Volume Construction and Demolition/Inert C&D Debris Processing Facility Permit from the California Department of Resources Recycling & Recovery (CalRecycle) and other necessary authorizations to increase the maximum throughput to 1,200 tons/day. Primary recycling operations will be in a structure 50 to 55 feet tall consisting of concrete base sidings and canvas roof/wall enclosure. The facility will include recycling equipment, semi-enclosed bins, truck scales, and offices. Trucks will pick up and drop off materials for processing or delivery. Processed wood chips will be shipped by barge to biomass facilities within northern California, using the existing port facilities.

Hazardous Waste Site:

The project is located on a site listed by the Department of Toxic Substances Control that has undergone Corrective Action under the Site Cleanup Program (Site # 80001379).

Lead Agency:

Port of Redwood City
