

**DEPARTMENT OF THE ARMY
U.S. ARMY CORPS OF ENGINEERS, SAN FRANCISCO DISTRICT
450 GOLDEN GATE AVENUE
SAN FRANCISCO, CA 94102**

NOTICE TO RECREATIONAL BOATERS

**U.S Army Corps of Engineers Channel Maintenance Dredging
Beginning near the Channel Entrance to S.F. Bay and Ending at the Inner Turning Basin
adjacent to the Port's Wharf 5**

- Dredging operations are expected to commence on or after 15 NOVEMBER 2025.
- Dredging will occur 24/7 until project completion, tentatively late FEBRUARY 2026.
- Contact Information
 - USACE Project Engineer: Kelly Williams (916) 524-1977
 - Contractor: *Camenzind Dutra JV LLC*
 - Contractor Site Safety & Health Officer: *Cliff Cardiel, (702) 461-1430*

**Boaters should watch out for the following equipment
and vessels that will be involved in the project:**

- Tugs, Dredge Barges and Dump Scows
- Survey and Crew Boats
- White mooring Buoys with blue stripe topped with white lights

Recreational boaters should consider the following:

- The dredge will be working VHF radio channel CH 80 and monitoring 13 and 14 for communication of recreational boaters' intentions.
- Be Visible and attach lights for dredge/tugs/survey boats to see recreational boaters during nighttime hours.
- Keep adequate distance from dredge to avoid the swinging bucket and moving equipment. Do not go alongside the dredge.
- Keep 500ft distance from the tugs, scows, & dredge while scows are being swapped out at the dredge. Never go between the scow and dredge.
