

Cargo count and color

The Port of Redwood City moves over 2.65 million metric tons of cargo a year! Help us count some cargo by coloring in the number of cargo boxes in the colors shown below. Mix it up and make it colorful!

4 RED BOXES 6 BLUE BOXES 8 GREEN BOXES

How many total cargo boxes are on this ship?

A walk on our waterfront

The Port of redwood city features over a mile of public waterfront access, parks and picnic areas. What do you think you'll see out on our waterfront? Maybe a cargo ship unloading on our docks or a few cranes flying by! Draw the things you will see!
